

*a*BOUT BY DESIGN MEDIA, ETC

Have an idea, or a vision of your business image? I work to re-create that imagery by design. With 8+ years of experience in advertising events, conferences, seminars, weddings, etc. I can help you market your event/business. I also offer photo restoration to help preserve the memories long after time has taken it's course. Enclosed are samples of some photos I've restored.

Shontel Johnson

“My professional goal is to create inviting designs for the target audience in continuance with the client’s vision. My photo restoration focuses on preserving memories.”

EXPERIENCE

Graphic Designer
August 1999 to Present
New Birth Church St. Louis

I am the lead designer for the entire church plus co-churches and internal businesses. My duties include; designing flyers, posters, mailers, promotional pieces, brochures, regular newsletters and internal communications.

I also do design work for some of New Birth’s other clients including: Forest Park Southeast Business and Banquet Center, We Care World Wide, Michael Bates Ministries, Bright Sky tutoring, Proper Thought Management, Shalom Ministries, and Tabernacle of Faith. This work includes catalogs, brochures and magazine ads.

Freelance Web and
Graphic Designer
April 2000 to Present

RESUME

I have worked with companies and individuals including:
Dakaria Clothing

Designed brochures, invitations, clothes hang tags, iron on labels, flyers, and posters.

The Hollis Thomas Foundation
I have designed, flyers, party cards for “Wine Down Wednesdays” and “Thick Thursdays”; brochures and programs for Hollis Thomas celebrity weekend event. And also designed business cards for Hollis Thomas foundation.

Restore #1

PHOTO #1

Problem: discolored, scratched with a rip going across it.

Solution: fix scratches and rip, correct hue saturation, correct color, and lighten exposure.

Restore & Re-color

PHOTO #2

Problem: faded, scratched, rust stained black and white photo which is overexposed.

Solution: fix scratches, blend rust stains, correct exposure, adjust contrast, and colorize.

(original photo not shown)

Restore #2

PHOTO #3

Problem: photo has a rip cutting bride’s face in half, rust stains, and scratches.

Solution: fix scratches, blend rust stains, adjust contrast, fix color of gold dress, and re-build bride’s face.
